

AT ATLAS COOLING TOWERS

Introducing the New **AT Atlas® Cooling Tower**

The most energy efficient modular cooling tower on the market.

- Counter-flow cooling technology
- Unmatched cooling capacity per cell
- Cutting-edge design and construction features
- 7.4 x 9.2 m cells

Our solutions are designed to make life easier, more affordable and more sustainable for you and the clients you serve.

We are EVAPCO—the team you can count on for life.

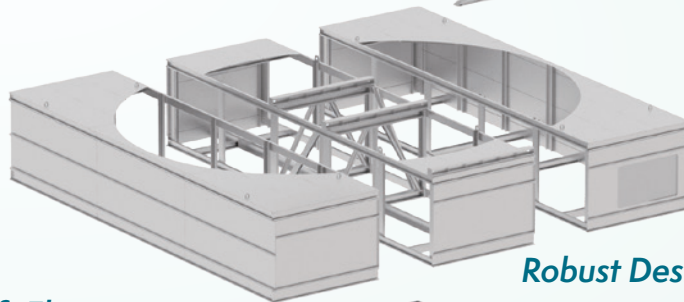

*Mark owned by the Cooling Technology Institute

AT ATLAS COOLING TOWERS

Mechanical Equipment

Robust Design and Materials

High-Efficiency Drift Eliminators

(US Patent 6,315,804)

Pressurized Water Distribution System

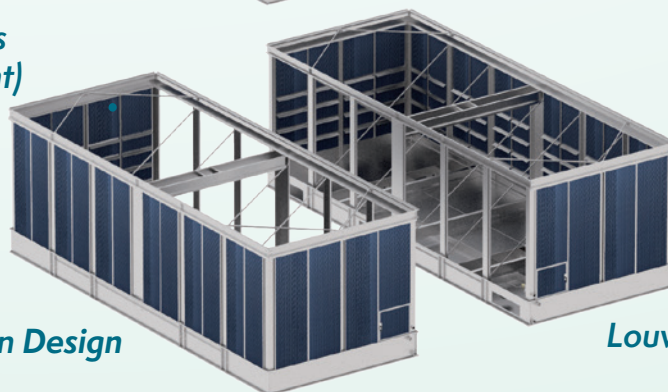

EVAPAK® Fill

(US Patent 5,124,087)

*WST Air Inlet Louvers
(Water and Sight Tight)*

(US Patent 7,927,196)

Access

*Clean Pan
Sloped Basin Design*

Louver Access Door
