General Accountant

The EVAPCO Group, an American Company founded in 1976, is the leading supplier of Evaporative Cooling Products for the Air Conditioning, Industrial Process Cooling and Industrial Refrigeration Markets around the world. EVAPCO products are at present produced in 17 factories around the globe. The European Headquarters are located in Tongeren, Belgium.

Function Description

In this function you are a member of the finance team and will report directly to the financial manager. The function has a variety of tasks during the month and the year, and makes every day very interesting and never the same.

Core tasks of the function are:

- Daily accurate and timely invoicing of the sales
- Support in monthly statutory closure procedure
- Support in monthly reconciliation process
- Leading person in yearly audit process
- Preparation of Statutory accounts, EFI
- Preparation of Income taxes declaration
- Follow up of the yearly expenditure budgets
- Reviewing of expenditures are recorded on the correct accounts
- Involvement in credit management process
- Involvement in warehouse process
- Involvement in developments in the ERP system and interfaces

Profile

To be successful in this function it is recommended to have a Professional Bachelor degree in accounting with relevant experience in an industrial environment. You communicate well both verbally and in writing with colleagues, representatives and customers. A good knowledge of the English and Dutch language is essential. Having experience with Business Central is an advantage. You are an independent, hands-on person who cares about team-work.

Offer

Evapco offers you a challenging position in a financially stable and strong global company. You will be rewarded with a competitive salary and a competitive package of extra-legal benefits.

Interested?!

If you are interested to accept this challenge, please do not hesitate to send a motivation e-mail together with your CV to patricia.stas@evapco.be.
